

Attention Teachers and Parents of 1st Graders!

Skippyjon Jones is a little kitten with big ears and even bigger dreams! Sometimes he pretends to be a bird, sometimes he pretends to be a llama, and sometimes he pretends to be a whale...

Anything BUT a Siamese cat!

Based on the book by Judy Schachner, and from the creators of Theatreworks USA's Junie B. Jones and Click, Clack, Moo, Skippyjon Jones is an enchanting musical about unleashing your powerful imagination and following your dreams.
