Artists are asked to provide an adequate number of pieces to fill the exhibit section listed below. All pieces must be wired, frames are optional for stretched canvas. Layout of the exhibit is decided by a collaborative effort between Artist and Resort, with installation completed by Resort Staff on or before the 1st of the month. Delivery and collection dates/times of the art work is determined by the artist and resort staff.

The Resort will assist with marketing the exhibit and the reception on social media. The Resort will also post artist contact info, connect patron with artist for payment, store purchased pieces as needed and securely hold payments for artist as needed. **The Resort does require a 10% commission on all sales.**
